11:00 a.m.	JDP	Sebastian Mellen/Kirk Noethe
	<p>JDP has been helping healthcare organizations drive compliance efforts for over a decade. With innovative technology and top-notch background checks, JDP's comprehensive services help organizations fully manage their screening and compliance needs. More than 10,000 organizations trust JDP with over 6 million background and compliance checks each year. JDP's Verified Identity Documentation system (vID) revolutionizes how healthcare organizations manage compliance with the power of cryptographically verifiable credentials. vID centralizes compliance data in one user-owned location and makes a user's compliance status shareable and verifiable across organizations, thereby reducing costs and ensuring airtight compliance.</p>	
11:45 a.m.	<p>Lunch (<i>Members & Sponsors</i>) Location: L' Edge Lawn (Outside Venue)</p>	
1:00 p.m.	Marché Health	Dr. Emmanuel Fombu/Tom Kluz
	<p>Marché Health is the world's leading digital health and health IT software and services review platform. Until now, selecting digital health and health IT tools was confusing, difficult, tricky, and intrinsically biased. The Marché Health Marketplace aligns business intelligence and decision makers from organizations across healthcare.</p>
